— "Spring 1964" —

Spring darts about with an impish grin
From hill, to stream and back again;
Shedding sweet tears on the dewy grass
She weaves a web of broken glass;
She taps the trees with her magic wand
And the earth's adorned with an emerald crown;
She fills the air with her warming breath
The squirrels stir, and blink and stretch;
The rivers break from their frigid bonds
And race with joy to the sea beyond;
The human heart is bursting too
Spring's pulsing beat flows through and through;
She brings new life to young and old
Her story's told ————— to be re-told.

STURGEON COUNTY HOSPITAL

The Hospital Publicity Committee reports that much interest has been shown in the proposed hospital. Generally speaking, the public is very hopeful that once again it shant be necessary for urgent cases to risk life waiting for hospital accommodation. The brief to the Minister of Health urging the establishment of a hospital district in the County of Sturgeon is well on the way to being completed. This brief is to be presented to the Minister on March 25. However further letters from other organizations or individuals supporting the building o city Committee, Box 28, St. Albert.

of a hospital would still be accepted. There has been a good response to the request for information about nurses and other personnel that might be available to staff a hospital. However, several nurses known to be residents of the district have as yet not sent in their names. This information would be welcome even if the nurses are not prepared to offer their services at the present time. The objective is to have a registry of the total potential staff. Address this information to the Publicity Committee, Box 28, St. Albert.

BACH'S ST. MATTHEW PASSION

For the first time in Edmonton, a full-scale performance of Bach's St. Matthew Passion will be given in All Saints' Cathedral during holy week. The part of Jesus will be sung by Robert Pribor and the part of the Evangelist will be sung by Jon van der Gucht. Edmonton soloists taking part are Ruth New, Elizabeth Stangeland, June Hunt, Arthur Guerragesso and Ronald Nelson, with Sandra Ann at the harpsichord and Hugh Bancroft at the organ. The conductor is Richard S. Lator.

The St. Matthew Passion, first preformed in St. Thomas Church in Leipzig 1729, consists of chorales, meditative solos and instrumental accompaniment combining to present a strong characterization and projection of the drama in this greatest of all dramas.

Those who wish to be present are urged to obtain their tickets well in advance, as the seating capacity of the Cathedral is limited to 750.

The performances on March 26 and 27 commence at 7.30 p.m. Tickets are available at \$2.00 at the Allied Art Box Office in the Bay.

RE-OPENING MAC'S RESTAURANT

Mrs. Jean Piché, a resident of St. Albert, will re-open Mac's Restaurant on St. Albert Trail. The restaurant will be open daily from 7 a.m. to 1 a.m., and on Sunday from 8 a.m. to midnight. This is good news for those citizens who like to go out for a cup of coffee after their meetings. The official opening will take place this Friday. Jean will serve free coffee and doughnuts.

JUNIOR SOCCER

Junior Soccer practise starts Saturday March 21, from 9 to 11 a.m. in the Vital Grandin School gym. All boys living in St. Albert and district, aged 9 to 15, are welcome.

Up to the present time, 30 boys have joined. The only equipment needed is shorts and running shoes.

STUDENT UNION

St. Albert High School recently held their Student Union elections. Elected to office were: Jeanne Soule, president; Ken Clarke, vice-president; Diane Brandle, purchaser agent; Marris Chevigny, treasurer; Dillya Kassidy, secretary; Michel Sabourin, reporter. The first activity planned and carried out by the new executive was a Hootenanny held last Friday.

BOTTLE DRIVE

The First and Second St. Albert Cubs and Scouts will be holding another bottle drive this coming Saturday morning. Please have your bottles ready. They ask that you only give them pop or beer bottles as they have no way of selling other types.

BANTAM "B" HOCKEY CHAMPIONS

by Frank Turek

Pictured are the 1963-64 Bantam Hockey champions from Mission Park, St. Albert. Left to right: Back Norman Waunch, right defence; Captain Pat Kane, centre; Benny Breun, goal; P. Turek, coach; Wilfred Duke, left wing; John Fraser, left defence; Front: Neil Flynn, centre; Bobby Dixon, right wing; Michael Belcourt, left wing; Assistant Captain Barry Flynn, right defence; Billy Powell, right wing. Missing are Kenneth Dalphond, left defence; David Perron, left defence; Gilles Bourgouin, centre; Raymond Henry, right defence; and Manager Don Keith.

They also finished in first place in the three team standings, winning 15, tied 2, lost 1, with a league point total of 32 points. They scored a total of 102 goals and allowed the opposition 45 goals.

The team from Mission Park defeated the

Sturgeon Heights hockey team in three straight games for the championship in a best 3 out of 5 series by scores of 5-3, 5-3 and 6-2. Pat Kane was top scorer with three goals and two assists, Michael Belcourt with three goals and one assist, Wilfred Duke with three goals in the playoffs. Based on good team work and the desire to win, the boys had a good season with young Benny Breun the standout in goal on numerous occasions.

Including exhibition games, the team won 21 straight games before they were defeated 1-0 by a bantam "A" hockey team from Edmonton in the closing seconds of that game.

The Manager and Coach of Mission Park wish to thank all those parents who helped by showing up at the games and providing transportation. Special thanks go to Mr. & Mrs. Kane, Mr. & Mrs. Flynn, Mr. & Mrs. Henry, Mr. Powell, Mr. Dalphond and Mr. & Mrs. Duke.

ST. ALBERT ON STURGEON PLAYERS

When the curtain goes up on "You Can't Take It With You" on April 17 & 18th, nine new faces from a cast of 18, will make their St. Albert debut.

Peter Leonard, Art Director at CFRE-TV will be Mr. Kirby, the big business tycoon. In the past, Peter Leonard has been active in amateur theatre in England, the Edmonton Civic Opera and also in plays at CFRE.

Although new to Sturgeon Players, Simone Lafranchise is familiar to many in St. Albert. Simone's work with Girl Guides and stenographer position with an Edmonton law firm in no way reflects upon the character she portrays - Gay Wellington, a down and out actress.

Mr. DePinna, an old friend who lives with the Sycamore's is played by Bernard Veness. Bernard is presently taking his grade 9 and 10 at St. Basil's Pre-employment School. As well as working at Safeway, he is Vice president of Knights of the Altar in St. Albert.

Shirley Martin is a real charmer as Rhea, the Negro maid of the Sycamore household. She came from Winnipeg not quite a year ago, yet she has already shown her vitality as Properties Mistress for the fall production Tripod.

Basie's husband, who spends most of his time writing music or playing his xylophone, is very fittingly portrayed by Cameron Ross. A teacher at Vital Grandin, Cameron has his degree in music and along with many other musical honors sang the rôle of Angelotti in Tosca at the Banff School of Fine Arts last sum-

In the coming weeks we will continue with our introductions.

When the curtains go up on the Sycamore living room April 17 & 18, St. Albert on Sturgeon Players will bring you an evening of smiles, chuckles and howls. See you there! "You Can't Take It With You".

We are still looking for an old chandelier. If you know of one, phone 599-7505

... first in Edmonton . . . at Tracy's!

AIR CADETS

Lectures on Journalism and Aerial Photography supplemented the regular drill session for the St. Albert Air Cadets last week.

Gordon Aalborg, suburban reporter for the Edmonton Journal, and W. B. Wallace, a photographer with Shell Oil, reviewed various aspects of their work for about 25 members of Squadron 533.

Mr. Aalborg outlined the duties of a reporter on a daily newspaper, the opportunities available and the educational requirements necessary.

He said the time is nearly gone when a boy could start out as a copy boy and work his way to the publishers job. Nowadays, he said, a university education, either in Journalism or general arts, is necessary in most newspapers.

Mr. Wallace, who was an aerial photographer with the R.C.A.F. during the second World War, outlined the various uses of cameras and their basic components. He took an aerial camera apart and demonstrated the uses of the five basic parts; lens, shutter, magazine, gear box and body.

Mr. Wallace is in the process of establishing a course in photography for the cadets.

PRESBYTERIAN CHURCH

The Worship next Sunday will be conducted by Rev. Ian MacSween. The Sacrament of Baptism will be observed. Parents desiring Baptism for their children are invited to contact Mr. Bigelow. Following this service there will be a Sunday School teachers meeting.

Presbytery has sanctioned the formal organization of the St. Albert Congregation. The oversight of the Congregation has been placed in the hands of an Interim Session composed of three elders: Mr. J. Gerrard, St. Andrew's; Mr. A. Bramley Moore, First Church; Dr. G. Hodgson, Westmount; with Rev. J. E. Bigelow as Interim Moderator.

All persons who are communicant members are urged to obtain their membership transfers so that they may be received as charter members of the congregation. The date for the reception of all members will be announced following a meeting of your Interim Session.

The Party Line

I had occasion to do a little pre-Easter window shopping last week. Hats are my weakness, so the millinery departments were my first stop. Have you noticed how the masculine influence is predominant again, or to the other extreme, most feminine are the hats of flowers, masses of blooming loveliness. It was also noticed that the suits were either very plain and tailored, or lace-trimmed and fussy. Pink and yellow are very popular shades for spring, but surprisingly, a lot of chocolate brown is being smartly combined with a contrasting lighter shade or pastel. The latter combination should certainly appear, as it can be worn year round. Being an amateur at reporting fashion, may I suggest you attend the W.I.'s 5th Festival in Fashion this coming Friday and get first hand information.

On a more serious note, I would remind everyone that April is Cancer Month. There will be a local campaign under the able chairmanship of Mrs. Neil Rose. Let us all keep this important project in mind - the day will come when this dread disease will be completely under control - if we all do our share!

Arrange transportation for some 75 children — this is just one aspect of the job done by this week's Rose of the Week, Mrs. Jean Ryley.

Jean has given her best to an extremely big project in St. Albert as secretary of the St. Albert Extension Y.M.C.A. This entails more jobs than we could begin to report but those involved in "Y" programs in St. Albert certainly praise Jean and the energy she has given to this worthwhile community work.

Another of Jean's interests is basketball, and she coached a girls team at Sir Alexander Mackenzie School a couple of years ago. She is currently active in the Youville Auxiliary, an active member on visiting teams and driving patients around.

Her neighbors say Jean is ready to give assistance in any way needed, and is one of the first to greet newcomers in the neighborhood.

She and her husband, Chuck, have been in St. Albert about 5 years and have 2 children.
